

IDEAS CLAVE

(Ideas principales, palabras clave, preguntas, etc.)

- An adjective is a short description
gorgeous, meaningless, sleeveless, **CHUBBY**.
- Simple past: Did not arrive (did not arrived is grammatically wrong).

CLASSNOTES

- Adjective: a word or phrase naming an attribute, added to or grammatically related to a noun to describe it.
- Never tell a woman **CHUBBY**, doesn't work well.

ABSTRACT

The adjectives are words used as descriptors that add detail to anything, each adjective can be positive, negative, good or bad and about every property anyone can have such as size, appearance and even to compare or indicate quantities.
